

Welcome Chief Faucett!

Greetings,

As the new Fire Chief I am very excited to bring my 26 years of experience to Lake Stevens. I look forward to building new relationships with the business leaders, civic groups and families in our community.

In this brochure you will find some of our department's most popular services we provide to the community of Lake Stevens. I invite you to take advantage of these many services and get to know our great administrative staff and firefighters.

Lake Stevens is a growing community and I assure you, with your help your fire department will commit to growing with you. Please feel free to contact me regarding any questions or concerns.

Gary Faucett, Fire Chief
