Lake Stevens Fire Recognizes Commitment to Service

Lake Stevens Fire recently recognized Firefighter Hall and Firefighter/Paramedic Wigington as they took their Oath of Commitment during a Commissioner Meeting. Lake Stevens Fire considers it a privilege to serve the Lake Stevens community, and each firefighter takes an oath of commitment at the beginning of their career. An oath of commitment is also taken when firefighters are promoted to the next rank.

Chief Kevin O'Brien commented, "Lake Stevens Fire is fortunate to welcome Firefighter Hall and Firefighter/Paramedic Wigington to our team. Each of them bring outstanding skills and abilities that will help Lake Stevens Fire serve our community."
