FOR IMMEDIATE RELEASE

Lake Stevens Fire Welcomes New Part-time Firefighters

Lake Stevens Fire recently welcomed four part-time firefighter members. Part-time firefighters are required to be Firefighter 1 certified, EMT certified, and must pass both physical capacity and knowledge tests. They supplement the career staff in all phases of department operations. Generally, a part-time firefighter at Lake Stevens Fire will work approximately six 12 hour shifts per month. Most of these individuals work with multiple fire districts to get as much firefighting experience as possible.

Chief O'Brien commented, "We welcome and appreciate our new members. They are the future of Lake Stevens Fire."

The most recent part-time firefighter recruits for Lake Stevens Fire include: Erik Brzozowski, Austin Murdock, Gerard Wahlman, and Ross Rumann. Welcome Aboard!

Lake Stevens Fire maintains an eligibility list for future part-time firefighting positions. Individuals interested in getting on this eligibility list may contact National Testing Network (www.nationaltestingnetwork.com) to determine the necessary steps to be placed on the current eligibility list.
