Dear Editor,

We would like to thank the Lake Stevens community for voting to pass a recent lid lift for our Emergency Medical Service program. EMS is the emergency service our community relies on most, and your support means we will be able to maintain service levels.

This is a period of growth for Lake Stevens, and our fire district is up to the challenge because of your support. I encourage you to read our Strategic Plan (available on our web site at [www.lsfire.org](http://www.lsfire.org)) and learn how we plan to meet the increasing demand for emergency services.

Thank you for partnering with us to save lives and property. Please feel free to contact me personally with any questions or concerns at (425) 212-3044 or [kobrien@lsfire.org](mailto:kobrien@lsfire.org).

Sincerely,

Chief Kevin O'Brien
