

August 14, 2018

Dear Editor,

Lake Stevens Fire is grateful for the show of support from our community for our recent fire levy lid lift. Your approval of this request means that we will be able to maintain emergency service levels that our community has come to expect of our fire district.

Our goal has been to restore funding for our EMS program and fire/rescue service. The Lake Stevens community has supported these two ballot measures, and we are extremely grateful.

Being diligent stewards of taxpayer dollars is at the forefront of our operations. Lake Stevens Fire will continually seek innovative and cost effective methods to serve people, save lives, protect property, and safeguard the environment.

We are thankful for your support and look forward to a bright future serving the Lake Stevens community.

With appreciation,

Jim Steinruck, Commission Chair and Kevin O'Brien, Fire Chief  
Lake Stevens Fire
