## 2019 Lake Stevens National Night Out

**Lake Stevens** - Join Lake Stevens Police and Lake Stevens Fire for the 2019 National Night Out on August 6th! The annual National Night Out is a community-building campaign that promotes police/fire-community partnerships with local neighborhood camaraderie each year. The goal is to make our neighborhoods safer and more caring places to live.

Since 2017, we have had an opportunity to bring NNO back to its original roots! Both Lake Stevens Police and Lake Stevens Fire will be staged at Trestle Station on 20th St SE on Tuesday, August 6th from 6PM to 8PM. We will have a variety of police and fire vehicles for kids to climb on and Trestle Station staff to hand out FREE ice cream and lots of safety information for you to take back to your neighborhoods! In addition, we are excited to have available staff come to your Lake Stevens' neighborhood block party and visit with you. "This allows a great opportunity to get to know our community members and have them share their concerns with us on a personal level" says Chief John Dyer.

We are excited to connect with you on National Night Out! See you at the Trestle Station for ice cream or at a Lake Stevens neighborhood block party. Together, with the Lake Stevens Community, we will create a connected and safer community!

Here is how your neighborhood block party can be included in our 2019 NNO Party:

- Register before July 31, 2019, your event through the Lake Stevens Police Department at 425-622-9401. (limited staff and times available).
- Police and Fire Personnel will then schedule a visit to your event as staffing allows, to answer questions and connect with your neighborhood.

**Mission Statement: “We serve the Lake Stevens Community, by enhancing public safety and quality of life, through professional police services, partnerships and interaction with our citizens.”**
